

REACH

Certificate of compliance of European Regulation 1907/2006

Dear customer,

ALCOBRE closely follows the European Commission's initiatives on environmental and safety issues.

We are dedicated to offering our customers products that meet the requirements of REACH 1907/2006 / EC and RoHS Directive 2011/65 / EU, where they apply. Strict policies are implemented to comply with the Regulation and the Directive.

REACH Regulation:

In the European Economic Area / EU, electric cables and wires ("Products") covered by the definition of "articles" may be purchased from ALCOBRE, in accordance with Article 3 of the Regulation. These products are not intended to release substances as defined in that Regulation under normal conditions and reasonably foreseeable use. An example is Article 7.1 of the REACH Regulation on Registration of Substances in Articles, which is not applicable to our products.

RoHS Directive:

Our product does not emit any substances along their lifetime in normal and reasonably predictable use conditions. We do not have presence of substances which appears in the Substances from the Candidate List of Substances of Very High Concern for Authorisation (SVHC) updated by ECHA, revised 16th January 2020.
